Information about the Engadin Skimarathon Village and bib distribution 2020

The Village and the bib distribution of the Engadin Skimarathon are new this year in Pontresina. Located in the middle of the Upper Engadine and accessible by public transport, the location on the Via Maistra Street is easily accessible from all directions. Sponsors and partners present themselves and their products in the Village. Last inputs and adjustments to the cross-country skiing equipment can be decisive for the success of the race. A walk through the Marathon Village is worthwhile for athletes, visitors and residents alike.
