

WORLDLOPPET

SKI AROUND THE WORLD

WORLDLOPPET PASSPORT

Worldloppet Passport is a personal document, in which every completed Worldloppet race should be registered. After completing a Worldloppet race, the skier should ask for the official stamp of this event at the race office. A stamp in the Worldloppet Passport is the evidence of the completed race.

Buying a Worldloppet Passport, the holder implicitly accepts that his address and name are used by the Worldloppet Office only for the purposes provided in the Worldloppet Rules and Regulations.

Worldloppet Passports will be not stamped if:

the Worldloppet Passport holder did not complete the Worldloppet race or skied the race under wrong name;

the Worldloppet Passport does not have the photo and/or signature of the Passport holder.

The digital copy of Passport is accessible in MyLoppet. MyLoppet is the login-system for Worldloppet skiers, where all your results and Passports are visible.

WORLDLOPPET MAIN RACES

Valid for recognition as a Woldloppet Gold Master
Gültige Rennen für den Worldloppet-Gold-Master Titel

CRITERIA FOR BECOMING A WORLDLOPPET MASTER / GLOBAL SKIER

Criteria for becoming a WL Gold Master (WL Rules and Regulations, Art 11):

1. completed at least 10 Worldloppet main races in 10 different countries;
2. at least one of these 10 races completed outside of Europe;
3. stamps for the Master titles are valid from the year after the race was admitted to Worldloppet.

Criteria for becoming a WL Silver Master (WL Rules and Regulations, Art 11):

1. completed at least 10 Worldloppet short races in 10 different countries or completed combined 10 WL main and short races in 10 different countries;
2. at least one of these 10 races competed outside of Europe;
3. stamps of Worldloppet short races are valid from the 1994/1995 season only.

Criteria for becoming a Global Worldloppet Skier (WL Rules and Regulations, Art 12):

All Masters who have completed all Full Member races existing at the moment of receiving a Master title, have the right to apply for Worldloppet Global Skier award. If new races of full member nations are introduced in the future, they will be added to the required races.

HOW TO ORDER YOUR WORLDLOPPET DIPLOMA, MASTER MEDAL OR GLOBAL SKIER DIPLOMA?

Worldloppet passport holders who have completed at least 10 different races can apply for a Worldloppet Master title.

The easiest option is to register as a MyLoppet user online on website www.worldloppet.com/myloppet, where you can see your Passport, results and progress towards Master title and Global Skier title. If races are not connected to your Passport, you can do it in MyLoppet and send an application for a Master title as well. After receiving your request, Worldloppet office will recheck completed races and you will receive a confirmation e-mail. In case of problems, you will be asked to present your original Worldloppet passport with stamps collected at the races.

For those, who do not want to use MyLoppet, the following steps should be completed:

1. Check if your Worldloppet Passport contains all the necessary stamps and data about every completed WL race. The validity of the stamps in your WL passport will be checked in the Worldloppet Office, based on the result lists of the marked races.
2. If any data is missing, try to find out and add as much information as possible directly to your WL Passport. Digital results of Worldloppet races are recorded from season 2000/2001, races completed earlier need more additional information. WL Passport can be stamped retrospectively back to 1979 in the WL Office.
3. Mail your WL Passport to WL Office for checking the validity of the stamps. The scanned copies of all your passport pages are also accepted. Please provide the office with valid e-mail address for easier communication in case of clarifications are needed.

4. If the stamps are correct, you will be accredited as a WL Master and your WL Passport together with diploma and pin will be mailed to you free of charge. In case of missing data or invalid stamps, your WL Passport will be returned to you together with a letter of explanation.

5. After becoming a WL Master, your name will be published on Worldloppet website. To be included in current years's WL Masters' list, your WL Passport should reach to WL Office before May 1st.

6. Every WL Master will be awarded with the following awards free of charge:

- a) personal Worldloppet Master Diploma;
- b) personal Worldloppet gold-plated pin.

7. WL Master has the right to order a personal WL gold/silver-plated medal or other goods meant for Masters only via e-shop or directly from the office. You may order your personal WL Master Medal or other souvenirs also later, separately from the Diploma.

8. After becoming a WL Master your former WL Passport will lose its validity. None of those races in your WL Passport, which are connected to your title, won't be either transferred to your next WL Passport or considered for your next WL Master title. If you have decided to become a multiple WL Master, you must purchase a new passport.

9. To apply for a Global Skier title, a Master should send an e-mail to the Worldloppet Office with the list of the completed extra races that fulfil the Global Skier criteria. The Worldloppet Office will send you the Diploma free of charge.
